Commissioner for Patents

Subsequent to the letter of abandonment mailed on 6/26/03, an amendment dated 5/23/03 was associated with and is now placed in the file. This communication states that a Notice of Appeal and Extension of time were previously submitted. Unfortunately no such paper(s) are in the file and or associated therewith. Since telephone communication with applicant's representative has been unsuccessful, the examiner is sending this letter to inform applicant that a petition to withdraw the holding of abandonment is necessary in order to place the case into a pending status. Such a petition must be filed along with copies of the Notice of Appeal and Extension of time and evidence of them having been filed. - See MPEP 711.03 (c) and 37 CFR 1.8 (b). No fee is required for this petition.
